

Florida Institute of CPAs Legislative Chapter Visit Request Form

In order to develop a strong grassroots relationship with candidates for the State House, State Senate and Cabinet, the Florida Institute of Certified Public Accountants (FICPA) is looking to develop our grassroots program and an understanding of the FICPA's legislative and regulatory agenda through local chapters.

During the 2009-2010 fiscal year we are encouraging FICPA chapters to get involved in this grassroots effort. Many CPAs already have personal relationships with members of the Florida legislature. These CPAs act as liaisons between the FICPA and state lawmakers creating a line of communication to not only relay technical and general information regarding legislative issues, but to hand deliver contribution checks to candidates the FICPA supports. Now, we would like your local chapter to help with this effort!

If you are interested in helping, please complete the following form and return it to FICPA's Governmental Affairs Department by fax at (850) 222-8190; contact John W. Johnson, Governmental Affairs Director at (850) 224-2727, Ext 204; or send an e-mail to govaffairs@ficpa.org.
